**Job Title:** Medical Laboratory Technologist

**Job Type:** Full-Time, Permanent – Daytime Hours

**# of Positions:** One(1)

**City, Province:** Ottawa, Ontario

**Job Description:**

Bio-Test Laboratory is Ottawa's only locally owned and operated medical laboratory. We have been servicing the patients and physicians of the greater Ottawa area for over forty-four (44) years.

The team at Bio-Test strives for the best quality in every aspect of the working environment. As a F/T staff member, you will be well taken care of with an option to participate in the company's benefits program, a healthy work/life balance with daytime hours, supportive continuing education program and competitive compensation.

Working as a F/T MLT at Bio-Test Laboratory, you will be exposed to different departments at our main testing facility in Ottawa, Ontario. The laboratory uses a state-of-the-art LIS with interfaces to all instruments and auto-validation for most results.

We are currently seeking a Med. Lab. Technologist who is registered with the CMLTO. Certification as a General MLT is required. We are looking for an energetic, team player with strong organizational abilities. Join the team and see why clients and staff members have selected Bio-Test as their medical lab of preference for over forty(40) years!
