

New Age Physio is looking to hire a part-time Chiroprapist.

Join our physiotherapist owned multi-disciplinary clinic and work together with a great health team. We treat a variety of musculoskeletal conditions and are looking for a Chiroprapist to assess and treat various foot related conditions, perform biomechanical gait analysis and prescribe and dispense custom made orthotics as well as orthopedic shoes.

Requirements:

- In good standing with College of Chiroprapists of Ontario
- Experience an asset but new graduates are welcome to apply
- Able to work evenings
- Great work ethics
- Exceptional interpersonal skills

What we offer you:

- In-house referrals
- Full support from reception and other health professionals
- Paper less facility
- Competitive compensation
- Education allowance

If you would like to learn more about this opportunity, please contact us today at info@newagephysio.com
