

DIAGNOSTIC SONOGRAPHER EMPLOYMENT OPPORTUNITY FOR PARKMOUNT MEDICAL IMAGING IN TORONTO

We are recruiting a candidate for a full time position at our ultrasound clinic. However applicants who are seeking permanent part- time employment will also be considered.

The clinic is located a short walk or bus ride from the Coxwell subway station in Toronto. The staff at the clinic are very friendly and welcoming. The work hours are flexible, and the wages are excellent. Financial incentives are provided for continuing medical education

Successful completion of an accredited training program is a pre requisite. Candidates are required to be members of SONOGRAPHY CANADA with CRGS credentials, or be RDMS members with registration in Abdomen, Breast, Obstetrics & Gynecology, and Pediatric Sonography. Previous work experience and familiarity with PACS are assets.

Abdominal, pelvic, obstetrical and small parts ultrasound examinations are scheduled at the clinic.

If you are interested in applying for this position, please contact us at:
