

**CHIROPODIST
TEMPORARY FULL-TIME**

The **Elliot Lake Family Health Team (ELFHT)** provides primary health care, including chronic disease management and health promotion and disease prevention to a rostered population of patients in the Elliot Lake and Northshore area. The ELFHT utilizes an interdisciplinary team of health care professionals who work in a collaborative model of care.

The Chiroprapist will play an integral role in the care of the patients of the ELFHT. The Chiroprapist will assist the ELFHT in achieving its vision and mission. The Chiroprapist will support patient care and the delivery of programs including chronic disease and geriatric care, by focusing on the delivery of effective foot care.

Qualifications and Requirements:

- B.Sc and licensing/registration by the College of Chiroprapists of Ontario. Ideally a minimum of one year of demonstrated clinical experience in a community setting is required.

- Additional training or knowledge in the areas of chronic disease management (in particular, diabetes) and geriatrics is considered an asset.

- Demonstrated clinical skills in assessment, program planning, implementation and evaluation.

- Work effectively, both independently and as part of an inter-disciplinary team.

- Proven flexibility and ability to adapt to change.

- Computer skills.

If you are interested, please email your resume and cover letter noting the position title in the subject line, to Jeff Moulton, Executive Director, Elliot Lake Family Health Team, at j.moulton@elfht.ca

We appreciate your interest, but only candidates selected for an interview will be contacted.

Bilingualism (English and French) an asset.
