

Brockville General Hospital is a fully accredited, multi-site midsize community hospital serving a regional catchment area of up to 99,000. We deliver Acute Care including Emergency, Intensive Care, Medical/Surgical and Maternal Child care, as well as Complex Continuing Care, Rehabilitation, Palliative Care and Acute Mental Health service. In addition, BGH provides various ambulatory clinics and community programs.

We are situated on the beautiful St. Lawrence River in the heart of the famous Thousand Islands, a world-renown tourist destination.

Working at Brockville General Hospital means joining a team of talented, trustworthy, and committed individuals, dedicated to achieving the hospitals Mission/Vision/Values, and Goals.

Brockville General Hospital is presently recruiting for the following position Part Time Sonographer:

Summary of Job:

Under the general direction of the Radiologists and the Director and the coordination of the Charge Technologist, the Diagnostic Medical Sonographer uses ultrasound equipment to produce high quality images. The sonographer must be capable of working independently, using initiative and judgement, providing excellent patient care.

REQUIREMENTS:

Education and Experience:

- Credentialed with Sonography Canada
- Current registration in good standing with the American Registry for Diagnostic Medical Sonography (ARDMS)
- Core competencies in general, obstetrical, vascular and MSK ultrasound procedures required
- Experience in echocardiography would be an asset
- At least one year ultrasound experience working in a Canadian Hospital

Knowledge, Skills and Abilities:

- Demonstrated excellence in delivering patient care
- Demonstrated excellence in spoken and written communication skills
- Demonstrated ability to relate in a tactful and sensitive manner with staff, physicians, patients and the general public
- Availability to work a variety of day, evening and/or weekend shifts and to take standby calls
- Positive, outgoing attitude and ability to work independently or in a team environment
- Ability to meet the physical demands of the position
- Demonstrated regular/punctual attendance
