

SHUMAKER

Chiropodist/Podiatrist/ Foot Care Specialist

Shumaker Shoes is seeking a dedicated and knowledgeable Chiropodist or Podiatrist, for In-store Custom Orthotic Assessments.

All Chiropodists and Podiatrists (including new graduates) are welcome to apply!

As a specialist, you will give an expert assessment and prescribe the ideal shoe according to client's personal characteristic and based on the models available at the Shumaker locations (off-the-shelf, pre-fabricated orthopedic shoes).

ROLES and RESPONSIBILITIES:

- Assess the condition of a patient's feet, ankles, or lower legs by reviewing his or her medical history, listening to the patient's concerns, and performing a physical examination
- Provide treatment for foot, ankle, and lower leg ailments, such as prescribing special shoe inserts (orthotics) to improve a patient's mobility
- Recognizes clients have conditions beyond their scope of practice and refers to other appropriate health care professionals (e.g. primary care provider).
- Understand and support the customers with the necessary information to the insurance claim submission package.

QUALIFICATIONS, SKILLS and EXPERIENCE

- Specialist in Custom Orthotics
- Degree Chiropody / Podiatry Program
- Desirable clinical experience
- Licensed with the College of Chiropodists of Ontario
- Have own vehicle with valid driver's license or a reliable transportation
- Demonstrated patient and consumer focus; makes a commitment to meet or exceed the needs of all internal and external customers
- Proven organizational and time management skills
- Excellent verbal and written communication skills essential for medical reports and educational and promotional activities

Type of job: full time
