ABOUT CONTINUING EDUCATION AT MICHENER

Continuing Education (CE) at the St. Patrick Campus of The Michener Institute of Education at UHN has a long history of being here for you - the busy professionals we rely on to deliver compassionate and safe care. At Michener, we believe in teaching and learning for a healthier world, and we collaborate interprofessionally with educators and practitioners to bring you courses and programs that demonstrate this philosophy. We also recognize the importance of flexibility to adult learners who have busy lives and careers. CE offers a variety of workshop-based and online courses for those who work in primary and critical care environments. These simulation-based courses delivered live by expert facilitators with years of real-life experience will help you maintain your credentials and skills crucial to providing emergency and critical care to patients.

CONTINUING EDUCATION

Advanced Life Support 2019/2020 Schedule

The facilitators made excellent use of our time. They also provided a wealth of experience and knowledge outside of just the basic PALS material which really enhanced the learning experience.

- PALS Student 2019

Overall, excellent NRP course. Instructors were very knowledgeable and helpful with all questions. Would definitely recommend and take again!

- PALS Student 2019

The instructors both brought a great deal of experience and knowledge to the course, which made the learning scenarios seem life-like. They made the learning experience great by providing feedback from their lived experiences.

- ACLS Student 2019
