Medical Laboratory Technologist
2 - Part Time - Positions

Ross Memorial Hospital (RMH) is an active, acute-care community hospital located in the heart of the City of Kawartha Lakes.   Among our acute and continuing care services, our team cares for 45,000 patients per year in the 24/7/365 emergency department, provides orthopedics and ophthalmology, operates a dialysis unit, and is renowned for its mental health programs and restorative seniors care. The Ross family takes pride in providing compassionate, quality patient care.

RMH is currently seeking 2 - Part Time-Medical Laboratory Technologist in our Laboratory Department.

Essential Qualifications
• Current registration with the College of Medical Laboratory Technologists of Ontario
• Certification with the Canadian Society of Medical Laboratory Science
• Demonstrated ability to deal co-operatively and effectively with all levels of staff, patients and the public
• Demonstrated high level of communication, organizational and time management skills
• Must be able to fulfill physical requirements of the job, as per current Physical Demands Analysis

Preferred Qualifications
• Recent general core Laboratory (Haematology/Chemistry/Blood Bank) experience

Rates of Pay
$31.87 to $42.71 per hour

Hours of Work
Must be available to work a rotation of all three (3) shifts (days, evenings, nights) Monday to Sunday. Shifts and hours may change according to departmental requirements and as per OPSEU Collective Agreement.

Employment Equity
Ross Memorial Hospital is committed to meeting the needs of persons with disabilities. Accommodation will be provided throughout the hiring process at the request of the applicant.

Employees must meet expectations for appropriate, respectful and professional conduct, as set out in the RMH Code of Conduct.

Closing: November 30, 2019
This is a union position posted under the OPSEU Collective Agreement.
