- Current registration with the College of Nurses of Ontario and Baccalaureate Degree in Nursing
- Current BCLS Certificate required; ACLS preferred
- Coronary Care Course I & II and Critical Care Course required
- One year recent ICU experience required
- One year recent experience in the care of patients post PCI and EP procedures
- Arrhythmia Interpretation and experience with venipuncture required
- Demonstrates excellence and effective ability in: interpersonal relationships, oral and written communication skills, organization skills, priority setting skills, problem solving, decision making, facilitating team work, and conflict resolution
- Ability to integrate and apply critical thinking skills to patient care
- Demonstrates knowledge and understanding in person-centred care approach and principles
- Ability to adapt to a fast-changing and stressful environment in a positive manner
- Demonstrates commitment to continuing education within the past two (2) years with emphasis placed on courses/conferences related to Cardiology/Cardiovascular
- Demonstrates commitment to organizational initiatives and quality improvement projects
- Ability to function independently and as a part of the multidisciplinary team

To learn more about Sunnybrook Health Sciences Centre, visit us online at **www.sunnybrook.ca**. To be considered for this exciting opportunity, please submit your resume and cover letter, via: https://sunnybrook.ca/employment/position.asp?c=7&id=8042&page=34014

Sunnybrook is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act (AODA). If you require accommodation for disability during any stage of the recruitment process, please indicate this in your cover letter.

Sunnybrook Health Sciences Centre is strongly committed to inclusion and diversity within its community and welcomes all applicants including but not limited to: visible minorities, all religions and ethnicities, persons with disabilities, LGBTQ persons, and all others who may contribute to the further diversification of ideas.

At Sunnybrook, it's about more than delivering quality patient care, pioneering non-invasive medicine, or exceeding all expectations for customer service excellence. It's about having the opportunity to be more challenged, more engaged, more fulfilled as a professional and as an individual, recognized for your personal contributions to the future of Sunnybrook and of cutting-edge health care.

As one of Canada's premier academic health sciences centres, we impact the lives of one million patients every year who count on us when it matters most. And, as one of Canada's Top 100 Employers, we have a vibrant culture where all members of our team are encouraged to continue to learn and grow, to achieve more, to be more innovative and go the extra mile in their day-to-day encounters with patients, families and each other.
