Interior Health is one of six publicly funded health authorities in British Columbia. With more than 19,000 employees and nearly 1,600 physicians on our team, we are developing the future of health care through innovation and professional development.

Located in the Southern Interior of British Columbia, our beautiful region includes larger cities such as Kelowna, Kamloops, Penticton, and Vernon along with a multitude of rural communities such as Cranbrook, Golden, Ashcroft, and 100 Mile House. Interior Health is dedicated to providing the best possible service to our citizens with staff and physicians who are committed to teamwork and high quality patient care – all playing an important part in our vision to set new standards of excellence in the delivery of health services in the Province of British Columbia.

Are you a Cardiac Sonographer who likes new challenges, loves the outdoors and values work life balance? If so, then Kootenay Boundary Regional Hospital in Trail is the place for you and we currently have an permanent part time opportunity for a Cardiac Sonographer in our team.

Kootenay Boundary Regional Hospital (KBRH) performs a wide variety of exams including abdominal, pelvic, obstetrical, vascular, small parts, echo, and some interventional work (drainages and biopsies). We perform exams in outpatient and inpatient care (including ER and ICU).
