Interior Health is one of six publicly funded health authorities in British Columbia. With more than 19,000 employees and nearly 1,600 physicians on our team, we are developing the future of health care through innovation and professional development.

Located in the Southern Interior of British Columbia, our beautiful region includes larger cities such as Kelowna, Kamloops, Penticton, and Vernon along with a multitude of rural communities such as Cranbrook, Golden, Ashcroft, and 100 Mile House. Interior Health is dedicated to providing the best possible service to our citizens with staff and physicians who are committed to teamwork and high quality patient care – all playing an important part in our vision to set new standards of excellence in the delivery of health services in the Province of British Columbia.

We are looking for a patient-focused team player to fill a permanent part time Cardiac Ultrasound Technologist position at Kelowna General Hospital. The successful applicant will work within the hospital's Echo Lab.

The Echo Lab is part of a large Diagnostic Cardiology Department, which includes Interior Health's Regional Heart Cath Lab and Angioplasty Program, ECG, Stress Testing, Atrial Fibrillation Clinic, and Cardiac Device Clinic. Services include Adult and Pediatric Echo, Stress Echo (Treadmill, Bike, Dobutamine), Transesophageal Echo, Contrast and Bubble Echo. Approximately 11,500 inpatient and outpatient Echo exams performed annually.

Ultrasound equipment consists of:

- Philips IE33, GE Vivid S6
- Meditech HIS
- McKesson CPACs

Our Diagnostic Cardiac team provides an exceptional professional environment for Medical Imaging and offers the opportunity to join a healthcare team dedicated to excellent clinical and communication skills, professionalism, and commitment to teamwork. We have a future of unparalleled opportunity for professional growth. Join our team today!
