

The Atikokan General Hospital is seeking applicants for the following position:

## **Medical Laboratory Technologist**

*Full time, 14 month contract*

***Reference # 2017-18***

### **JOB SUMMARY:**

Working under the supervision of the Laboratory Charge Technologist, the Medical Laboratory Technologist (MLT) will perform a range of tests – both routine and complex – on patients and clinical specimens. The MLT must participate in the on-call schedule of the Lab, in accordance with the Hospital's hours of operation.

*NOTE:* This will be a contract of 14 months in length, commencing in July 2017 and concluding in September of 2018.

### **QUALIFICATIONS:**

- A member in good standing of the College of Medical Laboratory Technologists of Ontario (CMLTO).
- Successful completion of accredited coursework in Laboratory Sciences.
- Knowledge and understanding of laboratory Quality Management systems, and of IQMH Lab Accreditation requirements.
- Understanding of equipment calibration and maintenance protocols.
- Able to work independently and in a team environment.
- Understanding of infection control practices and procedures, as well as applicable legislation and regulations under the Occupational Health and Safety Act.
- Demonstrated competency in record keeping.
- Ability to fulfill the on-call requirements of the role.

***Apply with resume and cover letter in confidence – quoting the reference number – by  
4:00 PM Atikokan Time June 15, 2017 to:***
