

Perfusionist

Join the HSN team and embark on our organizational excellence journey!

Posting #: 17-0166E

Permanent Full-Time Position

Location: Sudbury, Ontario

A dynamic and growing health care environment awaits you in [Sudbury](#) Ontario: [Canada's happiest city!](#) Surrounded by provincial parks and over 200 lakes, Greater Sudbury has over 160,000 residents and is a rich mix of urban, suburban, rural and wilderness environments. Just a one hour flight or four-hour drive from Toronto; here, you will experience the balance of a challenging clinical career and a comfortable lifestyle.

We are seeking a Perfusionist to join our team in Cardiology Services. Under the general direction of the Coordinator of Perfusion, the Perfusionist will perform technical duties involved in the maintenance and operation of cardiopulmonary bypass and related equipment for a variety of surgical and therapeutic procedures. The incumbent will regularly work with a multidisciplinary team of nurses, physicians, respiratory therapists and other health professionals. The role operates within a patient-centered continuous improvement culture using lean principles.

The ideal candidate will have a minimum of a four (4) year Bachelor's Degree from an accredited university in addition to being a graduate from an accredited Cardiovascular Perfusion program. Current Certificate of Registration with the Canadian Society of Clinical Perfusion (CSCP) or eligibility for certification, and a minimum of two (2) years' experience working in a Perfusion department. Individuals who do not meet the noted experience requirement are encouraged to apply and will be considered.

HSN is committed to providing excellence in patient care and supports personal development and growth through continuing education and professional development opportunities. In addition to a rewarding career, HSN offers competitive remuneration and vacation/ float days, health benefits, defined benefits pension plan with HOOPP, access to an Employee Assistance Program and corporate discounts. Reimbursement for relocation costs is also available for this opportunity.
