

Headwaters Health Care Centre is a medium-size acute and complex continuing care facility, offering both inpatient and outpatient services, as well as an Emergency Department with 24/7 coverage, and serves over 135, 000 primarily from the communities of Dufferin County and the Town of Caledon. Headwaters is accredited with Exemplary Standing by Accreditation Canada, the highest designation a hospital can receive. By offering care closer to home and putting patients first, Headwaters aims to provide an exceptional experience every time. Headwaters is currently seeking a:

208-18 Part-Time Registered Technologist, Ultrasound

The Ultrasound Technologist will organize and perform the ultrasound examinations assigned; maintain and document high quality images during the course of duties; actively participate in the implementation of strategies aimed at improving operational efficiency and effectiveness of the ultrasound service.

The successful candidate will possess the following qualifications:

- Registered with A.R.D.M.S. and/or CARDUP
- Certificate of registration with the CMRTO required by January 1, 2019
- Credentials in Obstetrics and Gynecology (OB/GYN), Abdomen (ABD) and Vascular (RVT)
- Recent experience in Diagnostic Imaging Department
- Must be willing to maintain registry status by obtaining the required continuing education credits every three years
- Venous and arterial Doppler experience including extremities, and breast imaging experience
- Able to relate well with patients, physicians and co-workers
- Good Computer skills and knowledge of Meditech (preferred)
- Good organizational skills and communication skills
- Ability to work independently in a fast-paced environment and have the ability to assess patient capabilities and limitations and make practice adjustments as necessary
