

LMC Healthcare (LMC) is Canada's largest specialist care provider in diabetes, endocrinology & metabolism. We're transforming diabetes care by making it more accessible, comprehensive and patient-centric than ever before. LMC has 11 multi-disciplinary centres of excellence and 19 clinical research sites located in 4 provinces (Ontario, Alberta, Quebec and British Columbia). Our 50+ Endocrinologists, many of whom are nationally renowned for their areas of expertise, are supported by an interdisciplinary team of highly qualified Medical Office Administrators, Medical Assistants, Registered Nurses, Registered Dietitians, Physician Assistants, Pharmacists, Optometrists, Opticians, Optical Assistants, Chiropodists and Clinical Research Professionals.

Currently, our rapidly growing team is in need of a **Regional Chiropodist** who can work for us on a permanent basis, supporting the Chiropody team and the Director of Chiropody in managing daily operations. You will promote the Chiropody service to patients within the LMC Etobicoke location. As well, you will be required to travel to our other clinics in the GTA.

**\*Access to a vehicle is mandatory for this role\***
