

Job Posting# 2018-66

**Medical Lab Technologist
Permanent, Part-Time (2 positions)**

*Posting Date: July 20, 2018
Closing Date: Until Filled*

Have a Career, Have a Life

The G&M Hospital is home to a superb team of healthcare professionals and volunteers. Together they have created a hospital respected and revered for the excellent level of care that it provides and the welcoming, community atmosphere it offers.

The Collingwood General & Marine Hospital is a 70-bed facility serving more than 60,000 permanent residents and 3.5 Million annual visitors to the communities of Wasaga Beach, Collingwood, Clearview and the Blue Mountains. CGMH is an acute care hospital providing emergency care, diagnostic services including lab, imaging and cardio respiratory therapy, as well as two inpatient units (medicine and surgery).

The hospital is also an integral part of the North Simcoe Muskoka Local Health Integration Network, which is made up of 8 Hospitals in our region. By working co-operatively with other hospitals, CGMH can maximize its efficiencies, reduce costs and ensure that the people of the area are educated about their own health and always have access, within the region, to the health services they require.
