

Kirkland and District Hospital

Kirkland and District Hospital is a fully accredited 62 bed facility serving approximately 15,000 residents in Kirkland Lake and surrounding areas. In addition to acute and chronic beds, hospital services include an emergency department, an active surgical program, a full range of outpatient services and a busy visiting Specialist Program.

Medical Laboratory Technologist 0.8 FTE - Permanent

The successful applicant will work under general direction of the Charge Lab Technologist and Vice President of Clinical Services/Chief Nursing Officer with minimal supervision. The successful applicant will be responsible for the accuracy and reliability of all test results obtained by him/her. In addition, accepting work assignments and performing tests that will require the exercise of independent judgment will be expected.

Kirkland and District Hospital Offers:

- A negotiable relocation reimbursement package
- Dental, Extended Health Care, and Semi-Private Benefits Package
- Eligibility to enroll in the Healthcare of Ontario Pension Plan (HOOPP)
- Wellness & Recreation Initiatives & on-site fitness centre

To qualify for the role of Medical Laboratory Technologist, you must meet the following requirements:

- Licensed in good standing with the Certified Medical Laboratory Technologist of Ontario (CMLTO)
- Membership with the Canadian Society of Medical Laboratory Science
- Graduated from an Ontario accredited Medical Laboratory Technologist program
- Preference will be given to applicants with experience in computer applications including Meditech
- Must be available for days, evenings, weekends, and on-call rotation as required
- Excellent communication, decision-making, problem solving, conflict management and time management skills
- Ability to work effectively in an interdisciplinary team environment
- Patient centered focus
- Bilingualism is an asset
- Other duties as assigned

To apply to this unique and exciting opportunity, submit your resume specifying the reference number OP18-26, by January 15, 2019 to
Jessica Parkman, CHRP, RPR - Human Resources Generalist
